

MG MASON'S GUARANTEE

This product has been manufactured & repackaged in strict conformance with industry and government standards.

**One small study suggests that chromium picolinate may reduce the risk of insulin resistance, & therefore possibly may reduce the risk of type 2 diabetes. FDA concludes, however, that the existence of such a relationship between chromium picolinate and either insulin resistance or type 2 diabetes is highly uncertain.

Directions: Adults take one tablet daily as a dietary supplement, preferably with a meal.

Caution: Diabetes/Hypoglycemics: use only under a physician's supervision.

Keep Out of the Reach of Children.
Store in a dry, controlled room environment.
