MASON'S GUARANTEE

FOIL - TAMPER RESISTANT SEAL
If printed heat induced seal appears to be tampered with, do not use product.

Enhance erectile function with L-Arginine, an amino acid that is essential for the production of Nitric Oxide, a compound that affects the body's regulation of blood vessel dilation allowing for greater blood flow to the sex organs. Lack of Nitric Oxide has a direct impact on sexual function, feeling, and desire. In combination with Maca, also known as Peruvian Ginseng, this potent formula supports the body's production of Nitric Oxide and optimal sexual function.*

Directions: Adults, take four or more capsules daily as a dietary supplement, preferably with meals.
Keep Out of the Reach of Children.

Store in a dry, controlled room environment.

Precautions/Contraindications: No serious or significant adverse reactions or drug interactions have been reported to date with the use of any of the above natural ingredients. As with any dietary supplement, consult your pharmacist or doctor if you are taking any prescription medications.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
