MG MASON'S GUARANTEE

This product has been manufactured and repackaged in strict conformance with industry and government standards.

Directions: Adults take one tablet daily with a full glass of water as a nutritional supplement, preferably with a meal.

Keep This and ALL Dietary Supplements Out of Reach of Children.

WARNING: If you are pregnant or nursing a baby, seek the advice of a health professional before using this product.

WARNING: Since oral iron products interfere with the absorption of oral tetracycline antibiotics, these products should not be taken within two hours of each other.

WARNING: Accidental overdose of iron containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of the reach of children. In case of accidental overdose, call a doctor or a poison control center immediately.

Supplement Facts

Serving Size 1 Tablet		
Amount Per Serving	% DV	
Iron	27 mg	150%
<i>(ferrous gluconate)</i>		

Each 240mg Ferrous Gluconate tablet provides approximately 27mg of elemental IRON.

Other Ingredients: Microcrystalline Cellulose, Stearic Acid, Hydroxypropyl Methylcellulose, Croscarmellose Sodium, Titanium Dioxide, Magnesium Stearate, Riboflavin and Blue #1 Lake.

GUARANTEED NO ADDED: Sugar, Sodium, Starch, Yeast, Soy, Corn, Wheat, Dairy, Gluten, Egg, Fragrance, Artificial Flavors and Preservatives.

Iron is essential to nutrition because it is needed to make hemoglobin, the protein that carries oxygen in the blood. The need for iron increases during growth, menstruation, pregnancy or when there is a loss of blood or a poor diet.*
