BodyShapers™ Appetite Control™ blends two popular ingredients that help to curb appetite and burn calories. CHROMIUM PICOLINATE is a mineral that plays a key role in healthy carbohydrate and fat metabolism and helps fight cravings. CITRIMAX® is the brand name of an appetite-curber made from the herb *Garcinia cambogia*. It's the brand that supermodels have used and endorsed!

**CITRIMAX** is a standardized herbal extract containing hydroxycitrate (HCA). Studies suggest that HCA, as part of a healthy diet and exercise program, may create a feeling of fullness and curb appetite.\*

\*\*One small study suggests that chromium picolinate may reduce the risk of insulin resistance, & therefore possibly may reduce the risk of type 2 diabetes. FDA concludes, however, that the existence of such a relationship between chromium picolinate and either insulin resistance or type 2 diabetes is highly uncertain.

**chromax** (chromium picolinate) | Chromax® is a registered trademark of Nutrition 21.

**Directions:** Adults, take one tablet three times daily as a dietary supplement, preferably with meals. Keep Out of the Reach of Children. Store in a dry, controlled room environment.
