FOIL - TAMPER RESISTANT SEAL

If printed heat induced safety seal appears to be tampered with, please do not use this product.

This nutritionally complete formula combines scientifically studied ingredients that protect against free radical damage and promote prostate function. Some evidence suggests that consumption of selenium and antioxidant vitamins may reduce the risk of certain forms of cancer. However, FDA has determined that this evidence is limited and not conclusive.*

Directions: Adults take two (2) softgels daily, as a dietary supplement, preferably with meals.

Keep Out of the Reach of Children.

Store in a dry, controlled room environment.
