MASON'S DIETER'S DETOX is an exclusive weight loss formula that combats your weight concerns 4 ways...

- 1. White Kidney Bean Extract** that **STOPS** the enzyme responsible for carbohydrate breakdown, necessary for carbohydrate absorption and fat formation.*
- 2.** Also added is **Chitosan**, the fiber that traps fat like a sponge, and that works best if taken before eating a fatty meal. Plus **Chromium**, the mineral that plays a major role in healthy carbohydrate and fat metabolism and helps fight cravings.*
- 3. Glucomannan** is a high-potency fiber that expands in your stomach like a sponge when taken with water and fights hunger. **Psyllium** is a fiber made from the husks of tiny seeds. Along with helping you feel full, it does wonders to help keep your colon clean.*
- 4. The Detox Water Blend** helps eliminate excess water and puffiness naturally.*
