**MG MASON'S GUARANTEE**

This product has been manufactured and packaged in strict conformance with industry and government standards.

**Directions:** Adults take one tablet daily as a dietary supplement preferably with a meal.

**WARNING:** The treatment of any anemic condition should be under the advice and supervision of a physician. Iron-containing medication may occasionally cause constipation or diarrhea. Since oral iron products interfere with absorption of oral tetracycline antibiotics, these products should not be taken within two hours of each other. Do not exceed recommended dosage. As with any drug, if you are pregnant or nursing a baby, seek the advice of a health professional before using this product.

**Keep Out of Reach of Children.**  
Store in a dry, controlled environment.

**WARNING:** Accidental overdose of iron containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of the reach of children. In case of accidental overdose, call a doctor or a poison control center immediately.
