

-Weight +Energy is an advanced new ephedra-free formula powered by a revolutionary blend of potent thermogenic compounds scientifically formulated to stimulate your body's metabolism and energy expenditure to help promote meaningful fat loss.*

Recommended Use: As a dietary supplement, take two capsules before breakfast or morning exercise session, and two capsules at mid-afternoon with 8 ounces of water. Do not take in the evening. Do not exceed 4 capsules per day. Individuals weighing under 150 lbs. may wish to begin use with one-half the recommended dose for the first week (one capsule twice per day). For best results, use as part of a reduced fat diet and exercise program.*

Warning: Keep out of the reach of children. Not intended for persons under 18 years of age. Do not use if you are pregnant or nursing or at risk of or being treated for high blood pressure, heart disease, renal disease, hyperthyroidism, spasm, psychiatric disease, suffer from migraines, are allergic to tyramine or chocolate, have asthma or are taking asthma medication. Consult your physician before use if you are taking a monoamine oxidase inhibitor (MAOI). The recommended dose of this product contains about as much caffeine as a cup of coffee and should not be taken by individuals wishing to eliminate caffeine from their diet. Limit use of caffeine-containing food and beverages while taking this product because too much caffeine may cause nervousness, irritability, sleeplessness, and occasionally, rapid heartbeat. **Store in a cool, dry place.**
