

MG MASON'S GUARANTEE

This product has been manufactured and repackaged in strict conformance with industry and government standards.

Some scientific evidence suggests that antioxidant vitamins may reduce the risk of certain forms of cancer. However, FDA has determined that this evidence is limited and not conclusive.

Directions: For persons 12 or more years of age other than pregnant or lactating women - take one softgel daily, as a dietary supplement, preferably with a meal.

Keep Out of the Reach of Children. Store in a dry, controlled room environment.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
