

MG MASON'S GUARANTEE

This product has been manufactured and repackaged in strict conformance with industry and government standards.

FOIL - TAMPER RESISTANT SEAL
If printed heat induced seal appears to be tampered with, do not use product.

Vitamin C is a recognized antioxidant that fights Free Radicals that scientists believe contribute to the aging process and the development of many diseases. Some scientific evidence suggests that the consumption of antioxidant vitamins may reduce the risk of certain forms of cancer. However, FDA has determined that this evidence is limited and not conclusive.*

Directions: One tablet two times daily as a dietary supplement, preferably with a meal. Tablets may be dissolved in the mouth or chewed.

Note: Vitamin C tends to change color with age- this does not affect potency.

Keep Out of the Reach of Children.
Store in a dry, controlled room environment.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
