

MG**MASON'S
GUARANTEE**

This product has been manufactured and packaged in strict conformance with industry and government standards.

Vitamin C is a recognized antioxidant that fights Free Radicals that scientists believe contribute to the aging process and the development of many diseases. Some scientific evidence suggests that antioxidant vitamins may reduce the risk of certain forms of cancer. However, FDA has determined that this evidence is limited and not conclusive.*

Directions: Adults, take one tablet daily as a dietary supplement, preferably with meals.

Keep Out of the Reach of Children.

Store in a dry, controlled room environment.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
